of the St. Joe River (FotSJR)

The Friends of the St. Joe River (FotSJR) was established in 1994 as a bi-state organization for watershed-wide improvement and protection. FotSJR operates as a 501(c)(3) not-for-profit organization, helping Conservation Districts and other partners in Indiana and Michigan with watershed education, planning and implementation projects within the St. Joseph River Basin.

The FotSJR strives to unite a diverse group of stakeholders in an effort to protect, restore and foster stewardship of the St. Joseph River Watershed.
